A+D Lookup

First off, I want to thank all of the wonderful reps and manufacturers participating in A+D Lookup. They are always responsive and quick to come to the rescue with project needs!

We have several company options when you search both manufacturers and rep groups for P-Lam, Solid Surface, & Quartz material finishes.

On the following pages, I have highlighted a few of the manufacturers that are available in A+D Lookup with reps ready to assist with any project along with some facts and stats about their lines.

To contact any of the reps, use A+D Lookup as a resource to reach out for more information.

# Updates in A+D Lookup...

## *The Numbers*

- **42** updates to A+D Lookup this month!
- **30** Manufacturers and Reps specify Solid Surface & Quartz
- **28** Reps updated their personal and company record
- **25** Manufacturers and Reps specify Plastic Laminate

## *Here and Gone...*

**Avonite** dropped the Studio collection. They have also been bought out by a Chinese company; however, the product is still manufactured in the US.

**LX Hausy** has no rep in Atlanta. Samples and updating are moving slow as a result. Reach out should you need assistance.

## *Quartz in New Ways*

*Have you ever thought about incorporating quartz into a small piece of furniture? **MAK** could be able to assist with this custom piece for your next project.*

## *Prominent P-Lam*

**Wilsonart** 17 Silken Wood-Premium, is worth a look - it's beautiful!

**Panolam** represents lines for **Pionite** and **Nevamar** HPL and LPL.

Looking for edge tape? Try these:

- [Teknaform](#)
- [Rehau](#)
- [Doellken](#)
- [Wilsonart](#)

Looking for color-through laminate? **Arborite** has a nice way to search by market segment. They have several options in both matte and gloss finish.
