GAIDP PEACH PAWS

EVENT OVERVIEW

The Georgia Alliance of Interior Design Professionals (GAIDP) will be holding its annual GAIDP Peach Paws event on October 9, 2024. We will bring together teams of designers, architects, manufacturers, representatives, contractors and building supply services to competitively re-design "environments" for our beloved four-legged friends!

Teams will alter a functional doghouse or kitty condo that stands apart from all the rest! Local firms, organizations and schools are invited to design, and produce a customized doghouse or kitty condo that will be showcased and auctioned at the annual Peach Paws event.

Funds generated through GAIDP Peach Paws will support GAIDP's lobbyist which monitors legislation affecting all of Georgia's interior design professionals. A portion of the proceeds will go to Paw Project of Georgia.

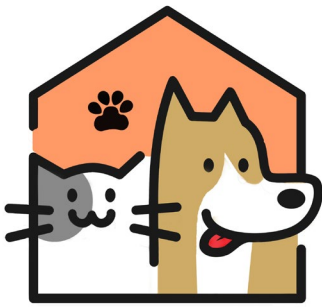

DOG HOUSE/ KITTY CONDO – option 1

The Doghouse/ Kitty condo will be this one or the one in the next page. Sponsors and Team members shall decide which one to use.
